James Dooley
Soft Surfaces

I have known James Dooley for over 10 years now and was happy to agree to the lead generation service he provides, our resin flooring business saw immediate benefits in both quality convertible leads and general exposure to clients our existing marketing strategies hadn't found.

Id happily recommend James and his organisation to anyone thinking of embarking on Search engine based leads, there are no hidden costs or surprises down the line and Pro-Res (UK)Ltd are delighted with the results.
